Subject: Your Submittal to the Records Center for South Dayton Dump & Landfill

This message serves as a receipt of the submission to the R5 Superfund Records Center, dated 3/13/17. Please review the information below, which describes the documents received and their current disposition as originally requested on the Submittal form.

You have five (5) working days from the date of this receipt to request any revisions to this submission. If no response is received within this time frame, the submission will be finalized in accordance to the instructions as notated on the original submittal request form. Please note that per NARA guidelines, materials submitted for archiving off-site to the Federal Records Center (FRC) may still be retained at the 7th Floor Superfund Records Center if the volume of the submission amounts to less than one (1) box of site-specific records.
